PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN.

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Slonaker Chosen Lions Club Pres.

A new slate of officers for the Canal Point Lions Club was recommended by a nominating committee, headed by H. G. Boynton, chairman, at the weekly dinner meeting. The nominees include P. A. Slonaker, for president; J. G. Weeks, first vice president; Grady Boynton, second vice president; W. W. White, third vice president; O. H. Sheppard, tall twister; J. W. Repper, Lion tamer; Alton Jones, secretary; James Gibson, treasurer; Grady Echols and Gauden Harrington, directors. Mack Barfield is a hold-over director.

The election of officers will be held May 2, when nominations from the floor will be in order. Installation will be May 8.

President James Gibson appointed W. W. White, chairman, P. A. Slonaker, Bill Gallicek and Mack Barfield on the street lights committee in charge of collecting funds from local residents to meet the cost of street lights for the coming year. Since Canal Point is not incorporated as a town, the Lions Club acts as agent for the community in entering contract with the Florida Power and Light Company to furnish street lighting facilities on a yearly basis. Residents are strongly urged to fully cooperate with the club in this public service project.

It was announced the final clearing of the triangular plot between the old and new highways east of the Barad building for use as a roadside park is expected to be completed this coming week. The ground will then be ready for landscaping, the planting of ornamental shrubs and general beautification under the supervision of the Garden Club. This is a joint project of the two clubs.

Preliminary plans were made for a ladies night program, May 30.

Levee Work Makes Improved Area

Improvements are being made on the levee approaches to Pahokee Harbor on Lake Okechobee. On the lake side of the levee, between the gates at either end of the harbor, a hard surface is being laid down under the supervision of the U. S. Army Corps of Engineers, who have charge of the levee maintenance.

The paved area, about 1/4 mile in length, will have five approaches to the lake edge, two of which will connect with the parking area located between the dock and the concessions building. Another approach leads to the new boat launching ramp which is being built by the State Road Department under the supervision of W. A. Keen.

Adjoining the parking area is a small recreational park with benches that is being developed by the Pahokee Garden Club, which has planted palm trees and decorative shrubs in the area. Farther to the north in the harbor area is another small public park, known as the Boy Scout Beach and picnic grounds. This park, originally developed by Pahokee Boy Scout Troop 628, is located near the shoreline in a pine grove and has long been a popular picnic spot.

Blanton & Unwin Low Jail Bidders

Acting upon the recommendation of Elliott Bross, Pahokee's city engineer, the City Council in special session accepted the bid of Blanton & Unwin, local contracting firm, for the construction of additions to the city hall, jail and fire station at a cost of \$59,845 lowest of the bids submitted.

The contractor agreed to negotiate with the city certain proposed minor changes in the original plans. Separate bids are being asked for the electrical wiring of the new construction, which was not included in Blanton and Unwin bid.

Mrs. Frank Friend Heads Garden Club

Mrs. Frank Friend was elected new president of the Pahokee Garden Club at the April meeting held at the home of Mrs. Jess M. Elliott, with Mrs. Norman A. Kennedy, retiring president, presiding.

Other officers elected were Mrs. Edward A. Jensen, vice-president; Mrs. Robert B. Simonson, recording secretary; Mrs. W. A. Keen, corresponding secretary; and Mrs. Curtis Chase, treasurer. The new slate of officers will be installed at the joint annual installation luncheon of the Pahokee and Canal Point Clubs to be held in the Community Building at Canal Point next month, with Mrs. Henry L. Pennock of Jupiter, District 10 director, to serve as installing officer.

Featured at the meeting was a "do-it-yourself" flower show, each member displaying an original arrangement of flowers appropriate for home decoration. The arrangements were judged by Mrs. Elliott. A report on the recent convention of the State Federation of Garden Clubs at the Palm Beach Biltmore Hotel was given by Mrs. Edward A. Jensen, an official delegate. Mrs. Kennedy thanked members who assisted with the table decorations at the convention banquet. Hostesses in charge of the sandwich luncheon were Mrs. C. L. Shirley, Sr., Mrs. C. M. Todd, Mrs. R. J. Schroder, Mrs. J. V. Chastain and Mrs. Elliott.

Eight Attorneys For Criminal Judge

Eight attorneys Monday scrambled into the last-minute race for the Democratic nomination for Palm Beach County's Criminal Court Judge.

Bidding for the \$15,000-a-year job are George H. Butler, Edward W. Starr, Joseph Thornberg, Clyde T. Windham, John H. Evans, Kenneth J. Horton, Russell H. McIntosh, and Pashal C. Reese.

The vacancy occurred Thursday of last week when incumbent Judge Edward G. Newell, unopposed for re-election, died. R. A. Gray, secretary of state, reopened qualifications for the job set Monday noon as the deadline.

The eight were immediately off and running with only a week remaining to campaign before the primary on May 3. Republicans were not allowed to file as they had bypassed the March 15 deadline.

13 Candidates For Pahokee Offices

Thirteen candidates will be seeking office at the Pahokee city election Tuesday, May 3. No late comers showed up Friday to qualify before the 5 p. m. deadline, according to City Clerk Patsy Batchelor.

Running against Police Chief Leon Guthrie, who is seeking re-election, will be Charles Dickson, R. D. Sappington and Maurice Sullivan.

Mayor F. S. (Dick) Parrish is also asking for another term of office. He is being opposed by Duncan Padgett and Carmen Salvatore, both pioneer residents of Pahokee.

In the race for councilmen C. R. Wetherington, group II, incumbent, is running without opposition. For councilman, group I, Charles Brown, incumbent, is being opposed by Joe Thompson. Billy Ray Mosley, councilman group III, is not running for re-election. Opposing each other for his job are Owen Todd and B. Elliott, Jr.

City Clerk Patsy Batchelor is running for another term of office, unopposed.

Also in this election there will be a referendum vote for or against the proposed city manager form of government. Pahokee voters on two previous occasions have voted against this issue.

In cases where a candidate does not receive 50 per cent of the votes, there will be a runoff election for the two candidates receiving the largest number of votes.

Girl Camporee Is Held In Pahokee

The first Glades-wide Girl Scout Camporee within the Palm-Glades Council was held in Pahokee over the weekend with more than 140 Scouts, Scout leaders and officials attending.

The Camporee got under way at 1 p. m., Friday, when 81 Girl Scouts and 9 leaders chose an attractive campsite at the foot of the Lake Okechobee levee near the water edge and pitched their tents.

The Indian campfire ceremony was staged by the Pahokee Senior Troop, however, the campfire and scarcely got started when rain started to fall and the entire group went to the special hall of the First Methodist Church, where eight Girl Scouts of West Palm Beach and two of their leaders told of their experiences at the Girl Scout Roundup in Colorado last summer. They had on display articles of Scout handicraft which they had brought back from the Roundup.

After group singing and the presentation of skits the Scouts returned to the camp site for the night. The smooth manner in which the schedule was carried out, despite the rainy weather, gave evidence to right training, correct personal and troop equipment and excellent Scout spirit. At the campsite of each troop was posted menus which the cooks used for the efficient preparation of meals, with the help of fire builders, hostesses and cleanup committees.

Saturday morning was devoted (continued on page 5)

Duncan Padgett Is Asking Mayor's Job

One of Pahokee's pioneer and well liked citizens is asking election to that city's highest position—that of Mayor. Duncan Padgett, farmer and civic worker has announced his candidacy in the forthcoming election and has been working tirelessly on his campaign which will come to a close with the election next Tuesday.

Coming from one of the pioneer families on Lake Okechobee the Mayorality candidate has a large number of friends who are working for his election. He is opposed in the election by the present mayor, Dick Parrish and another pioneer resident of the city—Carmen Salvatore.

Funeral Services Mrs. Binnia McCoy

Funeral services for Mrs. Binnia McCoy, 85, of West Palm Beach were held at the First Baptist Church in Canal Point Tuesday at 3 p. m., with Elder Rubin Barfield, pastor, officiating.

Mrs. McCoy, a former resident of Canal Point, died at a nursing home in Lake Worth Sunday afternoon after a long illness. She came to Canal Point in 1929 from Swainsboro, Ga., and lived here for several years before moving to West Palm Beach where she made her home with her daughter, Mrs. Sybil Valery, and family.

Survivors include two sons, Frank McCoy, West Palm Beach, and Charlie McCoy, Lake Worth; three daughters, Mrs. Maude Barfield, Canal Point, Mrs. Madeline McDaniel, Lake Worth, and Mrs. Sybil Valery, West Palm Beach, 10 grandchildren, and nine great grandchildren.

Burial was at the Port Mayaca Cemetery.

McClure, Dufresne Rotary Speakers

O. B. McClure, president of the Pahokee-Canal Point Migrant Relief Committee, and Luke Dufresne, administrator of the Everglades Memorial Hospital, were speakers at last week's Thursday luncheon meeting of the Pahokee Rotary Club, telling of the nursing services available locally to migrant workers who become ill. Dr. E. C. Johnson also spoke briefly on the same subject. Plans were made to send delegates to the Rotary District Assembly at the Seabreeze Hotel, Palm Beach, April 29-May 1.

Edythe Smith Is Nominated By Ike

Edythe C. Smith of Canal Point has been nominated as postmaster in Canal Point in a list of nominations sent to the Senate by President Eisenhower. Mrs. Smith has been serving as acting postmaster since the resignation of O. Upthegrove several months ago.

Mrs. Ruth V. Meredith spent the weekend in Lake Worth with her sister, Mrs. Evelyn Smith, and brother-in-law and sister, Mr. and Mrs. Carl Clawson.

Council Rejects Diner Beer Permit

For the second time in the past month the Pahokee Council rejected an application by Gene Paulk and Ralph Tillman, operators of the Tiny Diner, for a license to sell beer at the eating place on East Main St., which is very popular with teenagers.

J. M. Alderman, representing the committee appointed by the Pahokee City Council to study Federal Housing Act No. 221 to see if its provisions would apply to local conditions, reported at the regular meeting of the council that the act would apply if the city adopts a low-rate program. The act provides low-rate interest loans for certain types of construction to replace building torn down and replaced in slum clearance programs and the like. Councilman Hugo Boe was named to work with City Attorney Ralph O. Johnson in setting up a workable program that would be applicable to the provisions in the act.

A motion was made offering a \$25 reward to persons giving information leading to the arrest and conviction of anyone found guilty of destroying city-owned property, such as breaking street light bulbs and the like.

A bid submitted by M. P. Holman to sell the city a fogging machine for the control of mosquitoes at a cost of \$1,995 was accepted by the Council. It also accepted the bid of Service Iron, Inc., for the purchase of a chain link fence to enclose the grounds at the waterworks plant on North Lake Avenue at a cost of \$2,007.

The group voted to conduct a special adjourned meeting in the city hall Monday night, May 2, at 8 p. m.

Mrs. Lavender New BPWC President

Mrs. Mildred Lavender was elected president of the Pahokee Business and Professional Woman's Club at a business meeting held at the home of Mrs. Gertrude Wilson.

Other new officers elected for the coming year were Mrs. Fern Frank, first vice president; Miss Ellen Morgan, second vice president; Mrs. Grace Graham, recording secretary; Miss Billie Hand, corresponding secretary and Miss Patricia Batchelor, treasurer. Mrs. Alma W. Farrow, Miss Jane Plummer and Mrs. Grace Graham were on the nominating committee.

Guest speaker was Dr. Sasser Watson who illustrated his talk on Asian customs with color slides of photos he took while in the Orient.

Big Cypress Swamp Scene Camping Trip

A camping trip to the interior of Big Cypress Swamp was enjoyed by 25 members of the Pahokee Wildlife Club, accompanied by W. B. (Port) Reynolds, senior counselor, and J. V. Thomas. The trip was made by bus to the edge of Big Cypress, where the camping gear was transferred to four-wheel drive jeep and swamp buggy for the remainder of the journey to the camp site.

**DO YOU KNOW
JOHN L. REMSEN'S OPPONENT?**

In this important campaign for the School Board, up to the present time, John L. Remsen's opponent has made no announcement of his candidacy, or has he stated his background, qualifications or platform. You, The Voters, are entitled to know both candidates. The five city directories in Palm Beach County list 891 persons named "Williams". Rumors have identified this candidate, as various other persons named Williams and we believe further confusion should be avoided. John L. Remsen's opponent is Alton R. F. Williams, 500 Sapodilla Avenue, West Palm Beach, Negro owner and operator of the Williams Collection Agency. His interest in education is indicated by the fact that he declined to serve as a member of the Advisory Committee of Roosevelt Jr. College.

Instead, he said: "I've been amazed at the lack of interest in the school board race . . . Many don't even know I have an opponent . . . Yet the school board faces many economic and social complex problems." "You should look into the qualifications and backgrounds of myself and my opponents." (Emcee Mrs. Flora Zafferson said later that Williams had been invited, but he made no appearance.)

Ralph Blank Asks State Job Again

A new plan for improvement of the county's highway system, and a demand for increased State Highway Patrol protection in the county, are being advanced by Rep. Ralph J. Blank, Jr., candidate for "promotion" from the House to a seat in the State Senate.

Creation of a new road department district, separate from Dade County, giving this area its own member of the State Road Board, will be sought at the next session, Rep. Blank said, with a resulting improvement in attention to the county's road requirements.

In the face of a death toll of alarming proportions, Rep. Blank has asked Gov. Leroy Collins to use emergency funds for allocation of additional highway patrolmen to the county, and will seek permanent relief in the legislative session, he said.

"Having served in the legislature since 1956, I know procedures both in the legislature and Tallahassee bureaus," Rep. Blank said. "It is very easy for anyone to say he favors this or that, but the knowhow comes only from experience. Also, the many friendships I have made in both House and Senate will be a distinct asset to Palm Beach County if I am elected to the Senate seat being vacated by Sen. F. O. 'Bud' Dickinson."

One of the most complex matters before the county and the

state, is establishment and activation of the new four-year state university at Boca Raton. "I have worked on many phases of this project since 1956, helping to get the location in the county; clearing title to the 1,203 acre site, securing an appropriation of \$50,000 during the last session for planning, to which \$50,000 was added from the Fund for Advancement of Education; working with the Resources Development Board, Chambers of Commerce and others to present our plea to the State Board of Control for additional planning funds, and securing support of other members of the legislature.

"This is a tremendous job and a detailed one, but if there are no hitches, we shall have a multi-million dollar institution ready for our college students by the Fall of 1963. I predict it will become one of the greatest single assets in Palm Beach County."

"We will renew our fight for reduction of the intangible tax rate at the next session," Rep. Blank stated. "I led the effort in the House for its repeal at the last session and believe I had enough support lined up to obtain its passage, but the Senate killed the measure before the house could act. I regard this as one of the most important measures affecting the economy of Palm Beach County and I believe we can obtain sufficient support to repeal the present act."

"We must also review legislation calling for high valuations on real estate assessments and will continue the effort for statewide

equalization. I feel confident we can also repeal the inequitable inventory tax which has placed an unreasonable burden on our small businessman. Rep. Roberts and I sponsored such a bill in 1957 and were successful in getting favorable committee action, but again it was killed in the Senate before the House could vote."

Mr. and Mrs. M. H. Baxter had as a weekend guests their nephews Kenneth, Earl and Danny Lee Wells of Miami.

FOR AN EVEN BETTER FLORIDA

Which of the Candidates Would Really Serve Your Interest Best?

Read What Our Neighboring Newspapers Say:....

THE MIAMI HERALD

April 18, 1960

"South Floridians who know him have a high regard for John, McCarty of Fort Pierce. He is the brother of the late Gov. Dan McCarty. For six months he served as 'proxy governor' while the older man lay ill.

John McCarty is a vigorous proponent of this area. He has a loyal and devoted following. His integrity and his idealism are bywords. We suggest a good look at John McCarty for Governor."

HALEAH HOME NEWS

April 15, 1960

"Florida today needs a firm hand and a level head at the helm. It needs an able person to carry forward its remarkable future. It needs a dynamic salesman to sell the virtues of our climate, our tourism, our beaches, our citrus, our livestock and farm products our fisheries and mineral resources. It needs

someone to point out our expanding industrial might and favorable corporate tax climate. It also needs someone to continue our moderate common-sense approach to the weighty problems of segregation and integration. The answer to all these needs are spelled out in the person, abilities and qualifications of John Moore McCarty, of Fort Pierce."

.....

BOCA RATON NEWS

April 21, 1960

"In our opinion, the one candidate who embodies the qualities most needed in a Governor, and who combines with these qualities vigorous awareness of the interests of South Florida is John McCarty of Fort Pierce. It was McCarty who stood up to be counted last Fall BEFORE the reapportionment issue came to a vote, and who threw himself wholeheartedly into the fight to defeat that unfair

plan. In fact, it was on this issue that McCarty broke with the Collins administration, refusing to accept the watered-down version of reapportionment that was then offered to the voters.

All the candidates now say they are, or were, for fair reapportionment, but what they fail to say is the KIND of reapportionment they endorse. McCarty has not equivocated on this issue.

McCarty is a man of fine character with a spotless record. He is vigorous and in the prime of life.

We believe he will bring to the office of Governor the qualities of mind and spirit most needed to steer the State through the times that lie ahead, and that he will not only a Governor of whom all Florida can be proud, but that he will provide the leadership to give South Florida the attention and recognition it deserves and which it has not heretofore received in Tallahassee.

ELECT LEAMON "ANDY" ANDREWS County Commissioner

My opponent can not deny his responsibility for the 100% assessment, as the present commissioners sat as a Board of Equalization and accepted this tax roll and its inequities. These taxes help to pay our "part-time" commissioners a salary of \$8,400 per year plus unlimited expense account and travel allowance. Even with this "adequate" income a commissioner is automatically eligible for pension after 10 years in office.

to skill tests and instruction on fire building, knot tying, lashing, compass readings, first aid techniques and the like, with Mrs. Mina Holden, district director, Miss Jane Towater, executive director, Mr. and Mrs. Reginald Lewis, Miss Mary Margaret Cook and Mrs. Ralph O. Johnson serving as instructors. Miss Towater and Mrs. Holden also inspected the campsites of the seven troops and commended all for outstanding camping techniques.

A swimming hour was enjoyed in the afternoon under the supervision of Mrs. Rita Sims of Pahokee and Mrs. Herb Chapman of Belle Glade, official life guards. Following this, the troops judged each others campsites.

Saturday evening 40 Brownies from Belle Glade and Pahokee joined the Camporee, eating their supper there and staying for the evening campfire program. Each troop was judged by Girl Scout officials on the presentation of its skits. Group singing was enjoyed by all and the Belle Glade Senior Troop closed the campfire program with an impressive ceremony, using chemicals on the fire for color effects.

Sunday morning all troops had breakfast and their equipment packed by 9 o'clock. They then conducted an outdoor worship service which was planned by Mrs. J. L. Tyson, Jr.

Following the service, announcement was made of the camporee winners. Pahokee's Seventh Grade Troop was awarded first place; Belle Glade's Seventh Grade Troop, second; and Pahokee's Eight Grade Troop, third. All troops were rated excellent on "true Girl Scout spirit."

Pahokee and Belle Glade Girl Scout officials serving on the committee in charge of arrangements for the camporee were Mrs. J. T. Boynton, chairman, Mrs. Fred White, Mrs. E. C. Johnson and Mrs. Emil Wolf. Other leaders attending were Mrs. E. J. Graham, Mrs. Bob Fisher, Mrs. J. H. Wilkinson, Jr., Mrs. Glenn Brower, Mrs. Allie Okie, Mrs. Jack Phillips, Mrs. J. L. Tyson, Jr., Mrs. Dick Hodges and the Brownie leaders from Belle Glade.

These Scout leaders wish to thank several local persons whose assistance helped to make the camporee such an outstanding success. This group includes Jack Phillips, for dusting by plane to keep away mosquitoes; W. S. Plumer, for furnishing the insecticide dust; Ernest Maxwell and Duncan Padgett, for furnishing fire wood; J. H. Wilkinson, Jr., for furnishing a water wagon for drinking water; Dr. Bob Allen and Mrs. William Plumer, for placing signs at the campsites; the Hunter Ice Company, for free ice; Mrs. E.

Chosen Church In Easter Program

MR. Paul Rardin
Canal Point, Fla.

Easter Sunday, April 17th was observed as a day of Thanksgiving to God at the First Missionary Baptist Church of Chosen. It has been one year since moving into our new sanctuary.

The services were very inspirational and well attended.

Our blessings were far to numerous to count, but it was with hearts filled to overflowing with joy that we observed this special day.

We know that God through His people has made it possible for us to have a place of worship that we didn't have a year ago.

We are indeed so very grateful and indebted to you for all that you have done for us.

It is on behalf of First Missionary Baptist Church of Chosen that we with humble hearts, and a prayer of thanks to God and to His people like yourself that we say: Thanks so very much.

— Dorothy Stacy,
Corresponding Sec.

A Message To Friends and Supporters of George Butler:

one of the most gratifying things that can possibly come to me as a result of this campaign has been the heart warming response from my many friends—both known and unknown—who have voluntarily set themselves to work in my behalf. My phone has been ringing constantly with calls from my friends and friends of my friends, all announcing that they have started working for me from the moment I filed.

I know that all of these fine people will realize that I cannot possibly get around to see them—or even telephone—to give thanks and encouragement. This is impossible because of the short time available to me in this unexpected campaign.

Rather than writing to thank you after the campaign, as is usually done, I wish to thank you now, from the bottom of my heart. Thank You and please keep up the fine work. We shall win!

Mrs. McKinstry Home After Car Mishap

Mrs. Sam McKinstry, Sr., was able to return to her home in Pahokee this week from Good Samaritan Hospital, West Palm Beach, where she received treatment for injuries received in a car accident. Mrs. McKinstry suffered cuts and bruises last weekend while returning home from a visit with her son-in-law and daughter, Mr. and Mrs. Earl Crossman, and family at Fort Lauderdale, when the car in which she and her granddaughters, Miss Penny McKinstry and Miss Laura June Rogers, were riding on US 441 was struck broadside by another car entering the highway from a side road. The two girls escaped injury.

Missionary Society In April Meeting

"The Missionary Home" was the subject of a program presented at the April meeting of the Hannah Scoggin-Annie Jones Circle, Canal Point Baptist Woman's Missionary Society, at the home of Mrs. J. E. Rodgers in Runyon, with Mrs. Charles Maxson, chairman, presiding. Taking part on the program were Mrs. J. S. Atkins, Mrs. H. C. Clark, Mrs. A. T. Holt and Mrs. Maxson. It was announced Mrs. Holt will be hostess at the May meeting at her home.

Mr. and Mrs. J. B. Snyder of Tampa are visiting her mother, Mrs. W. B. Myers, at Canal Point and other relatives in this area.

Garden Group In Port Mayaca Meet

Members of the Canal Point Garden Club, at the April meeting at the home of Mrs. W. E. Evans at Port Mayaca, made plans to join the Pahokee Garden Club at the annual joint installation luncheon to be held in the Community Building at Canal Point, May 17, when the newly elected officers of both

clubs will be inducted by Mrs. Henry L. Pennock of Jupiter, District 10 director, who will serve as installing officer.

Mrs. M. C. Carter who represented the club as official delegates to convention of the State Federation of Garden Clubs, held recently at the Palm Beach Biltmore Hotel, gave a report on the convention.

Mrs. Frank Friend, president-elect of the Pahokee Garden Club,

was guest speaker. She spoke on the value of the croton as an ornamental shrub and displayed several different leaves. She also demonstrated the use of tin in decorative arrangements.

Mrs. Louis Davis has been elected new president of the Victory Class, First Methodist Church School, to fill the vacancy left by the resignation of Mrs. Ralph C. Stanley.

**Cancer Story And
Cigaretts Told**

What's the inside story about cancer? What's behind the cigarette-cancer controversy? How are warning facts about cancer saving lives? Why are two million people from all walks of life volunteering their services to fight cancer?

These are a few of many questions which are answered in a 16-page supplement "Background of Hope" which is now available in a limited supply and at no cost, at the Palm Beach County Unit of the American Cancer Society, 140 Lakeview Ave., West Palm Beach. Since the month of April has been designated as Cancer Control Month and the period when the annual Cancer Crusade is held, the message in this supplement is most timely, said Fred Teverbaugh, county Crusade chairman.

"Background of Hope" is a compilation of articles written by distinguished Americans. The report's lead article, "Fifteen Years Closer to a Cure," was written by author John Gunther.

This publication, Teverbaugh said, is one of the finest papers on cancer published in some time.

"I sincerely hope that the people of our own community will avail themselves of a copy—or at least make it a point to read the copy on file at the Cancer Unit office in West Palm Beach."

1959's BIGGEST SALES SUCCESS IS GOING STRONGER THAN EVER IN 1960. ONE LOOK AT THOSE BEAUTIFULLY PROPORTIONED LINES AND YOU'LL KNOW WHY!

Within one year from introduction, the Ford Galaxie, the Thunderbird of the low-price field, has become the world's best-selling series. For 1960 it is even more sensational.

Inside and out, in style and luxury, the Galaxie is unmistakably Thunderbird.

For power, you can have the "lightning" of the

Thunderbird's own V-8 engine.

And for 1960, Galaxie has more room for six passengers than ever before!

Yet, all-new and elegant as the Galaxie is, it still sports a low Ford price tag. So take a tip from all America. Come test-drive the 1960 Galaxie—the best-selling car in the world.

Edgar Maxwell For Tax Assessor

Edgar W. Maxwell, a resident of West Palm Beach for the past 34 years, and a native of Florida, announced today he will seek election as Palm Beach County Tax Assessor in the May 3rd Democratic Primary.

Associated for the past several years in the building materials industry in Palm Beach County, Maxwell is Manager of the West Palm Beach plant of R. H. Wright, Inc., a division of Houdaille Industries.

Prior to this he was employed in the Freight Traffic Departments of both the Florida East Coast Railway and the Clinchfield Railroad. As Commercial Agent for this latter company he traveled and worked the South Florida area.

Graduated from Palm Beach High School in 1942, Maxwell enlisted in the U. S. Navy, serving during World War II in both the Atlantic and Pacific theaters aboard a destroyer escort as First Lieutenant and Damage Control Officer. He attended college at the University of Miami and Tulane University.

He and his wife, the former Bobbie Jean Cobb, and their three daughters reside at 307 Alhambra Place, West Palm Beach. They are active members of Memorial Presbyterian Church in that city, where Mr. Maxwell is an Elder on the Session, and previously served as a Deacon. He has worked for many years in the Youth Program of his Church, and is the teacher of the College & Career Class of the Sunday School.

In announcing his candidacy for County Tax Assessor, Maxwell stated that the ever increasing burden of taxation will be a major issue of this campaign, and in his platform pledges to work constantly in an effort to halt this trend of higher taxes being placed upon us each year. Terming the recent reassessment program of the present assessor "taxation without representation," Maxwell also pledges to conduct a complete investigation of this program if elected, upon completion of which he would take every action within his power to correct the errors and hardships of this reassessment.

RETURNS TO ACADEMY

Bill Gist returned to Miami Military Academy the first of the week after spending the weekend in Pahokee with his parents, Dr. and Mrs. W. T. Gist, and family. He was accompanied back to Miami by his mother and by his grandmother, Mrs. David Johnson, and great aunt, Mrs. Ann Martin, of Tennessee, who visited Mrs. Calvert Mockbee at Fort Lauderdale enroute home.

INSTALL PTA OFFICERS

Mrs. Janet Pate of West Palm Beach, president of the PTA County Council, will serve as installing officer at the installation ceremony for the new officers of the Canal Point Parent-Teacher Association to be conducted during the May meeting of PTA in the school auditorium Monday at 8 p. m. Mrs. Joe Cherry, Jr., president, will preside at the business session.
